

The FCs

Inaugurated in 2009/10, the FCs (Fierce Clubman) recognises those in the Club who have demonstrated commitment to the non-cricket aspects of the Club, such as fundraising and Club events. Each season, the existing FCs nominate and vote for new FCs as appropriate.

This is a purely ceremonial title (unlike Life Membership) and does not give the recipient any special privileges. However, the Club believes that is important to recognise those who contribute to the off-field success of the Club.
