DISCIPLINARY/COMPLAINT PROCESS

Preamble – The Spirit of Cricket

Cricket is a game that owes much of its unique appeal to the fact that it is to be played not only within its Laws, but also within the spirit of the game. Any action seen as abusing this spirit causes injury to the game itself.

Embracing the spirit of the game means participating, either as a player, official or spectator, fairly and exhibiting respect for other players, officials and spectators, as well as the games traditional values such as graciousness in defeat and humility in victory.

Cricket has a distinct place in Australian society and history. As an element in Australia's national identity, cricket plays a significant role. This status brings with it particular responsibilities for players, officials and spectators to conform to the high standards of fair play and personal behaviour on and off the field.

What We Will Do

The Club Committee shall appoint a Disciplinary Committee with clearly defined procedures to resolve problems relating to the conduct of its members (including any allegation of bullying or abuse). The Disciplinary Committee shall consist of a representative from the Club Committee (acting as chair of the Committee) and two ordinary registered members of the Club.

Disciplinary & Complaints Procedure

Golden Grove Cricket Club wishes to ensure that it has adequate disciplinary and complaints procedures in place.

As a quality club operating on the basis of good practice the following procedures will be put in place to deal with internal and external disciplinary complaints.

- A Code of Behaviour has been drawn-up and adopted by the Club and applied to all members within the Club.

- The Disciplinary Committee shall initiate an investigation following a complaint into any incident of suspected misconduct that does not relate to a criminal matter. It shall, as soon as possible, inform the Club Committee of the progress of the disciplinary process.
- Written confidential records of all complaints shall be safely and confidentially kept and procedures shall be defined for the possession of such records in the event of election of new officers.
- The Disciplinary Committee shall furnish the Club member concerned with details of the complaint being made against him/her and afford him/her the opportunity of providing a response either verbally or in writing.
- Where it is established that an incident of misconduct has taken place, the Disciplinary Committee shall notify the Club member concerned of any sanction being imposed. The notification shall be made in writing, setting out the reasons for the sanction.
- If the Club member concerned is under 18 years of age, all correspondence, at all times, shall be addressed to his/her parents/guardian. At no stage under any circumstances will such Club member be interviewed or spoken to pursuant to the investigation of a complaint except in the presence of his/her parents/guardian.
